Assignment 06: Detailed Solution
Indian Institute of Technology Guwahati

Question 1 - _____ are set of rules for ordering words in a sentence

- A. declension
- B. grammar
- C. sentence structure
- D. syntax

Answer: D

Detailed Explanation: Syntax refers to the set of rules for arranging words into sentences.

Question 2 - A sentence structure in which the patient is mapped onto the subject position is said to be in _____

- A. inaction mode
- B. passive voice
- C. patient perspective
- D. complex form

Answer: B

Detailed Explanation: In passive voice, the subject receives the action, making the patient the subject.

Question 3 - A sentence that is placed inside of another sentence for the purpose of describing a noun is called a _____

- A. cleft sentence
- B. modifying phrase
- C. relative clause
- D. subordinate sequence

Answer: C

Detailed Explanation: A relative clause is embedded in another sentence and modifies a noun.

Question 4 - _____ word order defines sequence of sentence elements in a language

- A. canonical
- B. expected
- C. standard
- D. syntactic

Answer: A

Detailed Explanation: Canonical word order refers to the typical or standard sequence of sentence elements in a language.

Question 5 - A sentence structure in which the agent is mapped onto the subject position is said to be in _____

- A. action mode
- B. active voice
- C. agent perspective
- D. simple form

Answer: B

Detailed Explanation: In active voice, the subject performs the action, mapping the agent onto the subject.

Question 6- A two-staged model of sentence processing in which syntactic analysis precedes semantic interpretation is known as the _____ model

- A. constraint based
- B. dual route
- C. garden path
- D. orchard row

Answer: C

Detailed Explanation: The garden path model suggests syntax is processed first, then meaning, often leading to reanalysis.

Question 7 - Mean length of utterance, or MLU, is the standard measure of a child's _____

- A. cognitive capacity
- B. linguistic development
- C. productive vocabulary
- D. syntactic complexity

Answer: B

Detailed Explanation: MLU measures the syntactic development in children's language use.

Question 8 - A _____ is a simple sentence that is part of a larger complex sentence

- A. clause
- B. cleft
- C. clone
- D. cloze

Answer: A

Detailed Explanation: A clause is a simple sentence that may function as part of a larger sentence.

Question 9 - A syntactic parsing strategy that assumes the simplest possible sentence structure is known as _____

- A. heuristic assignment
- B. late closure
- C. minimal attachment
- D. simple completion

Answer: C

Detailed Explanation: This parsing strategy builds the simplest syntactic structure possible initially.

Question 10 - A syntactic structure that attaches an introductory clause to the beginning of a sentence for the purpose of highlighting one of the participants in the event is known as a _____ sentence

- A. cleft
- B. complex
- C. relative
- D. reversible

Answer: A

Detailed Explanation: A cleft sentence introduces a clause early to emphasize a particular element in the sentence.
